Subject: FW: new SSID - Former Federal-Mogul Site
Attachments: CT8840 - FORMER FEDERAL-MOGUL SITE - Analytical Request (ARF) Report.pdf

Hi Dominic,

The analytical request form submitted just a bit ago for Former Federal Mogul is incomplete. The Cerclis number is missing and I am having trouble locating this site in the SEMS database to try to include further information. It is also not coming up or appearing in the CLP SMO Portal database so that we can try to get a lab assignment for your upcoming sampling 11/19/19. Any help appreciated. Thanks!
